

**STATEMENT OF CANDIDATE FOR  
CITY OF LINCOLN, COUNCIL MEMBER**

**Primo Santini**

**Occupation:** Incumbent/Local Business Owner

**Education and Qualifications:** It's been my honor to serve as your representative on the Lincoln City Council for the past 4 years and as Mayor last year.

As a long time resident, local business owner, I have observed many changes to the small town in which I've lived most of my life. Growth is here, and along with financial benefits and improved services come new challenges.

Development must continue to be held to high standards. It must be integrated into and not just added onto our town. The revitalization of our downtown and airport must continue, along with building and improving parks, schools, and roads. Open space must be an integral and substantial part of the residential development that will occur.

Our city's growth, tempered by its history and values, makes Lincoln's future bright. With balanced growth, fiscal prudence, and environmental sensitivity, we can continue on the path to make Lincoln what I know it can be-the most livable city in Placer County.

I moved back to Lincoln after graduating from Stanford University to work, live, and serve the community I cherish. I ask for your vote on November 2<sup>nd</sup>. Please call with your questions or concerns at 645-3333 or 434-5472. Thank you.
